EDUCATION

42KL | 2024-2026
42 Core Programme

Sunway University | 2025-2028
Bachelor's Degree (Honours) in Computer Science

Sunway College | 2024-2025
Foundation in Science and Technology (FIST)

- GPA: 4.0

Kuen Cheng High School | 2019-2023
Sijil Pelajaran Malaysia (SPM)

- 5A+ 3A 3B+

EXPERIENCE

Backend & Automation Developer | 2025

- Developed an AI-powered WhatsApp chatbot that automates invoice creation.
- Integrated QuickBooks and WhatsApp APIs to streamline invoice processing.
- Built AI-driven workflows for data extraction and PDF invoice generation.

PROJECTS

cub3d

- Developed a 3D raycasting engine in C inspired by classic FPS games.
- Implemented real-time rendering using the raycasting algorithm.

ft_transcendence - Full-Stack Chess Web App

- Designed a normalized PostgreSQL schema (Prisma ORM) supporting real-time gameplay, match history, and social features
- Built secure authentication combining Argon2/JWT local auth with 42 Intra OAuth (Passport.js)
- Containerized backend services (NestJS, PostgreSQL) with Docker Compose across dev environments
- Owned backend infrastructure end-to-end: database design, auth, and OAuth integration

ADDITIONAL

Languages	Tools & Frameworks
C/C++	Git
HTML & CSS	Docker
Python	React
Java	NestJS
javascript	Bash
